## ✂️✍️ In the Classroom...

### **Literacy:**

We will continue to review story elements by reading different Gingerbread man stories and comparing the similarities and differences. Students will be writing How to Decorate a Christmas Tree, How to eat a Gingerbread Cookie, and How to Catch a Gingerbread Man.

### **Math:**

The students will be learning another addition math fact strategies-NEAR DOUBLES facts.

If I know that  $8 + 8 = 16$  then  $8 + 9$  can mentally be done by adding  $8 + 8 + 1 = 17$ .

### **Social Studies:**

The students will create a timeline of first grade events. This will be coming home by the end of the week.
