## HELP WANTED!

**Fall Festival:** We will need volunteers to help run our classroom game at the Fall Festival on Nov. 3rd. Sign up [HERE!](#)

**Fall SPIDER Celebration:** We will be having a class SPIDER celebration 10:15-11:30 on Monday, Oct. 31<sup>st</sup> after our Pumpkin Display. Students are welcome to leave after the celebration. There will be no academics the rest of the day. Thank you to all of the parents who signed up to help and donate items!

**Pumpkin Projects:** We got a little behind on our Pumpkin Projects last week due to my unplanned absences. Your child will be bringing home a PUMPKIN PLAN by this Friday. This will let you know if you need to send in any addition materials for their project by Monday, October 23<sup>rd</sup>.

## In the Classroom...

### Literacy:

We will be reading the book STELLALUNA, a story about a bat who gets separated from its mother and goes to live with some birds. The students will continue to work on retelling story elements.

The students are also working on writing FAB 5 sentences. Making sure their sentences 1- begin with a capital letter, 2-end with an end mark, 3-have finger spaces, 4-sound the words out the best they can, 5-|makes sense.

### Math:

The students will use number bonds to create Fact Families.

$$2 + 9 = 11 \quad 11 - 2 = 9$$

$$9 + 2 = 11 \quad 11 - 9 = 2$$

### Science:

This week the students will be reading non-fiction books about BATS and OWLS. They will compare and contrast these two living things.

**Permission Slips for our first Field Trip came home on Friday. Please make sure to sign it and send in the \$19 by this Friday, October 20<sup>th</sup>.**
