- ☑ Dec. 21 ~ Classroom Holiday Party/Stocking Exchange (Wear holiday attire/colors)
- ☑ Dec. 21 ~ End of Quarter 2
- ☑ Dec. 22 ~ Jan. 5 Winter Break

DON'T FORGET

Gingerbread house Making & Stocking Exchange - Dec. 21st

We are still in need of supplies for decorating gingerbread houses. Please sign up [HERE](#) if you are able to help send in items.

Each student is able to bring in small items (candy, erasers, toys, homemade items) for each student in the class (14) to put into the stockings (IF YOU CHOOSE.)

The students will open their stockings at our small holiday party on Thursday, Dec. 22nd at 10:00.

Parents are welcome to come! Then students are welcome to leave if you would like to begin your Winter Break early! 😊

✂️✍️ In the Classroom...

Literacy:

The students will be researching and reading non-fiction books to learn more about reindeer. Then they will read a fictional story about reindeer to compare. They will think about the character traits of the character in the story based on what the character says and does.

The students will also plan and write directions on how to do something (a topic they choose). They will make this into a book.

Math:

The students will practice addition and subtraction facts with different math stories.

Science:

This week we will be doing some fun holiday science experiments with gingerbread men and candy canes. The students will practice making predictions and then checking their predictions.
