DON'T FORGET

Holiday Shop:

Envelopes for the Holiday Shop will come home this week. Our class will be shopping on Tuesday, Dec. 5th. It is very helpful if you make a list with your child of the people you would like them to buy gifts for and how much money you would like to spend on each person. There will be volunteers helping them shop, and doing this makes the shopping go a little smoother!

Grinch Day will be one day during the week of Dec. 18th. Students will be able to wear Grinch or Green attire. More information will be coming home soon!

In the Classroom...

Literacy: During the next 2 weeks, we will be reading different versions of the Gingerbread Man. Students will be comparing Characters, Setting, Problem, and Solution of each version. The students will also be learning about HOW TO WRITING. They will be using details and sequence words (first, next, then, last) to write directions on how to decorate a Christmas tree, how to eat a gingerbread man, and how to catch a gingerbread man.

Math: The students will be learning how to use mental math to add 3 and 4 digits together. They learn to first look to see if there are two digits that make ten or 2 digits that make a double.

$$2 + 8 + 9 = ?$$
$$10 + 9 = 19$$

Keep practicing addition and subtraction facts at home by playing the different games that are being sent home! 😊

Social Studies: The students will learn what timelines are. They will be making mini timelines to practice and to understand the different kinds of timelines.
